

# Ohio Chamber Health Benefit Program

## COVID-19 Testing & Information

### The Ohio Chamber Health Benefit Program (“Chamber Program”) will Cover COVID-19 Diagnostic Tests

The Chamber Program will waive member cost sharing, including copays, coinsurance and deductibles, for COVID-19 diagnostic testing that is safe and effective and provided at approved locations and in accordance with FDA and CDC guidelines.

### Important Information for Members on COVID-19

Symptoms of COVID-19 can be similar to the flu or an upper respiratory infection and may include:

- Fever
- Cough
- Shortness of breath

We currently understand that 80 percent of COVID-19 cases are mild or without symptoms. Like the flu, COVID-19 is more severe in patients with long term, underlying health conditions and the elderly. If you think you might have COVID-19, please contact your health care provider and seek prompt attention.

More information about COVID-19 is available at:
