

CHAMBER CHAMPION INVESTMENT LEVELS

You're a champion for your business.
We all champion free enterprise.
We're all for Ohio.

OBJECTIVES:

RESEARCH.

Thanks to our Champions, the Ohio Chamber is able to deliver timely empirical data to Ohio's decision makers on a verity of issues vital to the business community's success.

GRASSROOTS.

By expanding grassroots efforts, the Ohio Chamber has been able to build on an already solid program. A more robust grassroots network allows for swift action when the Ohio Chamber and its members are faced with anti-business attacks or important legislative issues that require broad-based, statewide support.

INITIATIVES.

When those who seek to attack free enterprise – whether it be slowing Ohio's ability to compete with other states through over regulation or force mandates on the backs of Ohio's job creators – they invariably turn to ballot initiatives. The Ohio Chamber Champion's goal is to propose and advocate for a sensible plan that protects Ohio's constitution.
