COLUMBUS, OHIO – The below statement can be attributed to Ohio Chamber President and CEO Steve Stivers regarding Gov. DeWine’s proposed two-year operating budget.

“Gov. DeWine has outlined a pro-growth package of initiatives for the state’s two-year operating budget. With access to available and affordable housing being a critical workforce challenge, we were pleased to see the proposed creation of a state low-income housing tax credit and other stimuli to increase housing stock. We were also glad to see the budget contained additional efforts to enhance our state’s infrastructure and increased attention to post-secondary job training. The Ohio Chamber of Commerce stands ready to work with the DeWine-Husted Administration and the Ohio General Assembly to enhance Ohio’s economic competitiveness on these efforts.”
