*COLUMBUS, OHIO – The below statement can be attributed to Ohio Chamber President and CEO Steve Stivers regarding the Ohio Administrative Code Regulatory Reform announced by Gov. DeWine and Lt. Gov. Husted today.*

“We applaud Gov. Mike DeWine and Lt. Gov. Jon Husted’s announcement today regarding their plans to eliminate unnecessary regulatory requirements within the Ohio Administrative Code.

The Ohio Chamber’s *Blueprint for Ohio’s Economic Future*, a comprehensive report that focuses on key areas for economic growth and improvement in Ohio, highlights the importance of removing excessive or unclear regulations at the state level.

The Ohio Chamber believes that this will make Ohio a more business-friendly state, which will in turn improve its economy and overall quality of life. We thank Gov. DeWine and Lt. Gov. Husted for the steps they are taking toward making Ohio a better state for business and for Ohioans as a whole.”
