Ohio Chamber SVP Rick Carfagna Appointed to Sunset Review Committee

COLUMBUS, OHIO – On Friday, Gov. Mike DeWine announced Ohio Chamber Senior Vice President of Government Affairs Rick Carfagna’s appointment to the state’s Sunset Review Committee.

The Sunset Review Committee holds hearings and receives testimony from numerous state agencies to assess their various entities’ performance and effectiveness. Once it establishes final recommendations, the committee proposes legislation to be voted on by the full House and Senate.

The committee is comprised of three members appointed by the Ohio House, three by the Ohio Senate and three by the Governor’s office.

“Having the opportunity to help modernize state government is an honor and responsibility I take seriously, and I’m grateful to Governor DeWine for appointing me to the Sunset Review Committee,” said Carfagna. “I’m eager to work with the other committee members to conduct a diligent review of state governmental entities and ascertain if and how Ohio can improve the delivery of public services while reducing the size of government.”

169 entities are subject to this biennium’s sunset review process, which is to be completed by December 31, 2024.

The Ohio Chamber is the state’s leading business advocate and represents thousands of companies that do business in Ohio. Our mission is to aggressively champion free enterprise, economic competitiveness, and growth for the benefit of all Ohioans.
