COLUMBUS, OHIO – The below statement can be attributed to Ohio Chamber President & CEO Steve Stivers following Gov. DeWine’s appointment of Jim Tressel as lieutenant governor.

“The Ohio Chamber applauds Gov. DeWine’s nomination of Jim Tressel as lieutenant governor following former Lt. Gov. Jon Husted’s appointment to the U.S. Senate. With his wealth of experience in the education field, Jim understands its importance in building Ohio’s workforce of tomorrow. To that end, since leaving Youngstown State University in 2023, Jim has heavily involved himself in state workforce development discussions and policymaking, and he will certainly continue to prioritize these issues in his new role for the benefit of the business community and all Ohioans.”
